Life on Record

2-IN-1 MINI USB 2.0 FLASH DRIVE

EXPAND YOUR STORAGE SPACE

The TDK Life on Record 2-in-1 Mini Flash Drive is an ultra-compact, lightweight, multi-purpose USB 2.0 flash drive. This flash drive allows you to free up storage space on your Android™ devices by transferring photos and videos from your device to the drive. Built with a standard USB and a micro USB connector, this drive makes it easy to move files from your Android device to a computer for simple backup, or to another compatible device to share photos and videos with your friends and family.

TDKPerformance.eu/compatibility

For devices with Android™ 4.1 or higher and USB OTG support

Features & Benefits

Transfer files directly between any combination of compatible (Android) phones, tablets, and computers with one flash drive

The sliding capless design provides protection of the micro USB connector without worrying about damage or lost caps

Preserve your device's storage space by accessing content directly from the USB drive

Plug n Play technology requires no batteries, Wi-Fi or internet

Use with ES File Explorer App to optimize performance on select devices
